

HOUSE OF REPRESENTATIVES STANDING COMMITTEE ON ECONOMICS

REVIEW OF THE FOUR MAJOR BANKS

Westpac Banking Corporation

WBC14QON: **CHAIR:** Has Westpac done any analysis of the potential impact of different models of quantitative easing that have been floated by the Reserve Bank?

...

Mr King: Our economics team has published some thoughts on that matter, and we could certainly—

CHAIR: Could you table them on notice as well, please?

Answer: Westpac Economics has recently published a number of articles discussing unconventional monetary policy and quantitative easing. Copies are attached.
