QSuper

QS10QW:	Details of arrangements for the temporary or permanent use for corporate venue hire (including corporate boxes), including additional non-hire costs such as catering, at sporting venues over the past five years.
Answer:	<p>QSuper makes use of corporate venue hire to deliver member seminars. QSuper does not use corporate boxes or undertake corporate entertainment at sporting events.</p> <p>For the avoidance of doubt QSuper has utilised venues for the purposes of member seminars which have general event facilities but may also host sporting events for other public purposes.</p> <p>For example, for the past 5 years QSuper has generally held two member seminars and an annual staff event each year at a convention size corporate venue.</p>
