

**ANNEX II  
SCHEDULE OF SPECIFIC COMMITMENTS FOR SERVICES**

**THE PHILIPPINES**

**EXPLANATORY NOTES**

1. The classification of services in this Schedule is based on the Services Sectoral Classification list (MTN.GNS/W/120 dated 10 July 1991) and is in accordance with the definition in the 1991 UN Provisional Central Product Classification (CPC), unless otherwise specified.
2. The use of the following against individual CPC codes indicates that:
  - “\*” – the service specified is a component of a more aggregated CPC item specified elsewhere in the Services Sectoral Classification List
  - “\*\*” – the specific commitment for that code does not extend to the total range of services covered under the code.
3. The scheduling of commitments in this Schedule follows the Guidelines for the Scheduling of Specific Commitments (WTO Document S/L 92, dated 28 March 2001). The guidelines shall not, however, be construed as being legally binding.
4. This Schedule is made in accordance with Article 8.7 (Schedules of Specific Commitments) in relation to paragraph 2 of Article 8.3 (Scheduling of Commitments) with the undertaking to submit and maintain a Transparency List in lieu of Most-Favoured-Nation commitment. Upon transition to the Schedule of Non-Conforming Measures in accordance with Article 8.12 (Transition), the Philippines after due consultation with its relevant agencies and stakeholders, and in accordance with this Agreement and the *1987 Philippine Constitution* and relevant laws, will identify five subsectors to be subjected under the obligation of Article 8.6 (Most-Favoured-Nation Treatment).
5. With respect to the provision on further liberalization, the Philippines after due consultation with its relevant agencies and stakeholders, and in accordance with this Agreement and the *1987 Philippine Constitution* and relevant laws, will identify seven subsectors after a grace period of five years upon the date of entry into force of this Agreement for the Philippines.
6. The entry “Unbound” means the Philippines remains free to introduce or maintain measures inconsistent with the obligations under this Agreement.
7. The entry Unbound\* means unbound due to lack of technical feasibility.
8. In this Schedule, reference is made to the *1987 Philippine Constitution*, hence, commitments are to be construed in accordance with the *1987 Philippine Constitution*.

9. The Philippines has a State policy and existing laws for the protection of the rights of indigenous peoples and cultural communities, thus, the implementation of these laws and policies shall not be construed as affecting any and all commitments made under this Agreement and this Schedule.
10. For purposes of transparency, upon transition to the Negative List in accordance with Article 8.12 (Transition), the Philippines shall make necessary reservations and non-conforming measures.
11. All limitations on market access and national treatment in the horizontal commitments shall apply to all sectors and subsectors where specific commitments are made in this Schedule.
