Section 3(d)

Please list the steps you have taken to assure yourself you have not acquired citizenship of another country by descent, marriage or other means.

The only possible pathway that might have been available to me to inherit citizenship by descent would be my maternal grandmother who was British. However, checks were undertaken on my behalf to confirm that, under British law, the grandchildren of British citizens do not have an entitlement to British citizenship by descent.

My Australian born spouse has Vietnamese ancestry via her parents and grandparents. Checks undertaken on my behalf confirm that there is no provision for me to obtain Vietnamese citizenship through marriage under the Vietnamese Law on Nationality.
