Section 3(d)

Please list the steps you have taken to assure yourself you have not acquired citizenship of another country by descent, marriage or other means.

My maternal grandfather was born in Germany but was a Dutch citizen born to Dutch parents.

My maternal grandparents both lost their Dutch citizenship when they were naturalised as Australians, before the birth of my mother.

In any event, Dutch law does not allow someone like me born before 1985 to acquire Dutch citizenship by descent through their maternal lineage.
