Dear Ms Surtees

**STATEMENT OF REGISTRABLE INTERESTS**

I write to update my statement of registrable interests in relation to the matters set out below.

The two related financial occurrences noted in this letter do not presently require disclosure pursuant to clause 2(b)(i) or (ii) of the House of Representatives Resolution of 13 February 2008. However, because the second matter below may potentially give rise in the future to a disclosable interest, for the purpose of continuity I advise for the next volume of the tabling of members interests the events below that have occurred since the last tabling.

***2. Family and business trusts and nominee companies***

After the death of her father, my wife Jennifer Porter, as the Executor named in her father's last will and testament, became her father's personal legal representative. As her father's personal legal representative, Jennifer Porter was appointed in October 2016 as the sole Director of WSN Holdings Pty Ltd, which company is the trustee of her late father's self-managed super-fund, the WSN Super Fund. Jennifer Porter is not a beneficiary of the WSN Super Fund.

In December 2016, Jennifer Porter received the grant of probate in respect of her father's estate. While Jennifer Porter is a potential beneficiary of a future distribution of assets from the estate of her late father, she has not yet received any distribution of assets from the estate nor has any trust yet been created by her as Executor in relation to the estate assets.

Please update my entry accordingly and do not hesitate to contact me if you wish to discuss further.

Yours sincerely
