## PBO POLICY COSTING REQUEST – DURING THE CARETAKER PERIOD FOR A GENERAL ELECTION

policy to be demand driven or a capped amount?				
Will third parties (for instance the States/Territories) have a role in funding or delivering the policy?	Yes – state government and community housing providers will receive the funding to build the housing.			
If yes, is the Australian Government contribution capped, with additional costs to be met by third parties, or is another funding formula envisaged?				
Are there associated savings, offsets or expenses?	No			
If yes, please provide details.				
Does the policy relate to a previous budget measure? If yes, which measure?	No			
If the proposal would change an existing measure, are savings expected from the departmental costs of implementing the program?	No			
Will the funding/program cost require indexation? If yes, list factors to be used.	No			
Expected impacts of the proposal				
If applicable, what are the estimated co below. Are these provided on an under	•	· •	*	the table
Estimated financial implications (outturn prices) <sup>(a)</sup>				
Affordable Housing Finance Corp	2013-14	2014-15	2015-16	2016-17

What assumptions have been made in deriving the expected financial impact in the party costing (please provide information on the data sources used to develop the policy)?	See PBO costin	g		
Has the policy been costed by a third party? If yes, can you provide a copy of this costing and its assumptions?	Yes, by PBO on 29 July 2013.			

## PBO POLICY COSTING REQUEST – DURING THE CARETAKER PERIOD FOR A GENERAL ELECTION

What is the expected community impact of the policy?	Cut social housing waiting lists with a decade
How many people will be affected by the policy?	
What is the likely take up?	
What is the basis for these impact assessments/assumptions?	
Administration of policy:	
Who will administer the policy (for example, Australian Government entity, the States, non-government organisation, etc.)?	Australian Government
Should departmental expenses associated with this policy be included in this costing?	Absorbed
If no, will the Department be expected to absorb expenses associated with this policy?	
If yes, please specify the key assumptions, including whether departmental costs are expected with respect to program management (by policy agencies) and additional transactions/processing (by service delivery agencies).	
Intended date of implementation.	1 July 2014
Intended duration of policy.	Ongoing
Are there transitional arrangements associated with policy implementation?	No
List major data sources utilised to develop policy (for example, ABS cat. no. 3201.0).	
Are there any other assumptions that need to be considered?	No
NOTE	

## NOTE:

Please note that:

- The costing will be on the basis of information provided in this costing request.
- The PBO is not bound to accept the assumptions provided by the requestor. If there is a material difference in the assumptions used by the PBO, the PBO will consult with the requestor in advance of the costing being completed.
