Description of policy	
Summary of policy (as applicable, please attach copies of relevant policy documents):	Reform to the taxation treatment of discretionary trusts (except trusts used for farming businesses) so that they are taxed as companies. This includes, but not limited to denying pass through of tax preferences.
What is the purpose or intention of the policy?	To reduce complex tax avoidance strategies while achieving greater consistency and simplicity in the taxation of entities while minimising compliance and restructuring costs.
What are the key assumptions that have been made in the policy, including:	
Is the policy part of a package? If yes, list the components and interactions with proposed or existing policies.	Yes, but no other parts of the tax avoidance package intersect with this measure.

Expected impacts of the proposal				
If applicable, what are the estimated costs each year? If available, please provide details in the table below. Are these provided on an underlying cash balance or fiscal balance basis?				
Estimated financial implications (outturn prices) ^(a)				
	2016–17	2017–18	2018–19	2019–20
Underlying cash balance (\$m)	460	880	980	980
Fiscal balance (\$m)	460	880	980	980
(a) A positive number for the fiscal balance indicates an increase in revenue or a decrease in expenses or net capital investment in accrual terms. A positive number in the underlying cash balance indicates an increase in revenue or a decrease in expenses or net capital investment in cash terms.				
What assumptions have been made in deriving the expected financial impact in the party costing (please provide information on the data sources used to develop the policy)?				
Has the policy been costed by a third party? If yes, can you provide a copy of this costing and its assumptions?	No			
What is the expected community impact of the policy? How many people will be affected by the policy? What is the likely take up? What is the basis for these impact assessments/assumptions?	Around 610,000 trusts are operating in Australia.
