

**TO THE HONOURABLE THE SPEAKER AND MEMBERS OF
THE HOUSE OF REPRESENTATIVES**

This petition of the undersigned concerned citizens of Australia

Draws to the attention of the House: That Lao people in Australia and across the world, hope to bring back a system of Monarchy, to promote freedom of speech and religion, to the Lao people in Laos. Laos has been a communist state since 2 December 1975 following the forced abdication of the King. To empty from the Palace of the late King, the Queen and the Crown Prince is a criminal and a Lawbreaker. It is violently fail to comply with the United Nations General Assembly proclaims the universal declaration of human rights on articles 2 to 12, especially on article 9.

Whereas in 1975, The Pathet Lao Communist Party supplanted The Royal Laos Government and The Lao Royal Families, and established a Lao people's Democratic Republic in violation of 1962 declaration on the neutrality of Laos and its protocol, as well as the 1973 Vientiane Agreement on Laos.

For Laos, the Lao people across the world require the efforts of the Geneva conference cochairman and the signatory countries to discuss the whole matters through the United Nations Assembly.

We therefore ask the House to: do all in its power to support the return of the Laos Monarchy, as it was prior to 2 December 1975, led by the Lao Royal Family.

We would like you to involve and discuss the matters to the world leaders and the United Nations in the future.
