
To the House of Representatives

This Petition of certain residents of the Federal division of Hotham and surrounding areas draws to the attention of the House the Abbott Government's consistent attacks on Medicare. Petitioners note:

- The Abbott Government is introducing a \$7 GP tax every time people see the doctor
- The Abbott Government is imposing a \$5 hike on the price of prescriptions.

The Petitioners therefore request that the House of Representatives calls on the Government to abandon these new taxes and cease its attacks on Medicare.
