**Senator STERLE:** Did you have any consultation or did anyone from your company have any consultation about the magical number of more than 40 passengers with either the government, the department, the Inspector of Transport Security or the minister, or any of the minister's staff?

**Mr Major:** Not to my knowledge.

**Senator STERLE:** Not to your knowledge. Please take it on notice and come back to us, in case someone else has, through your agency. Chair, I can't go any further because I'm mindful of the time

I confirm that neither I nor anyone else from our company has had consultation with either the Government, the Department, the Inspector of Transport Security, the Minister or any of the Minister's staff in relation to establishing 40 passenger cut-off in relation to passenger screening requirements.
