Question Date: 02 August 2021

Question Type: Spoken

Senator Sterle asked:

Senator STERLE: Great. Thank you. It will be on the website but, if possible, could you provide me with what electorates those successful recipients are in?

Dr Derham: What I can provide you with is some regional information, so the location of the successful applicants. I can provide you with that information. How you choose to analyse that, I'll leave to you.

Senator STERLE: That's fine. So that information you provide me will be their home town, their home region or home area?

Dr Derham: That's correct. The town for which the application is being granted. That information is on our website currently.

Answer:

A list of successful applications under the first round of the Murray–Darling Healthy Rivers Program is available on the Department of Agriculture, Water and the Environment's website [here](#).
