**Senator Sterle asked:**

Senator STERLE: Yes. Sounds like it too. Are you able to tell us how many farmers are expected to receive a grant?

Dr Derham: I'll take that on notice because I don't have those exact splits right in front of me.

Senator STERLE: While you're taking that on notice, I'd also throw into that mix the number of landholders, if there are any expected to receive a grant, and also the number of community organisations—if you could break that up for us, please?

Dr Derham: I certainly will.

**Answer:**

Applicants were not required to declare if they were a farmer or landholder.
