

Australian Government

Department of Finance

Ms Apolline Kohen
Acting Secretary
Senate Select Committee on Administration of Sports Grants
Parliament House
CANBERRA ACT 2600

Dear Ms Kohen

**Clarification: Public Governance, Performance and Accountability Amendment
(Grant Rules for Corporate Commonwealth Entities) Rules 2020 consultation**

I am writing to clarify my response to a question asked during the hearings of the Senate Select Committee on Administration of Sports Grants, on Wednesday, 22 July 2020.

Senator Abetz asked whether the Department of Finance will provide support to help officers in corporate Commonwealth entities understand the Public Governance, Performance and Accountability Amendment (Grant Rules for Corporate Commonwealth Entities) Rules 2020. In my answer I suggested that the Minister wrote out to all 71 corporate Commonwealth entities to consult on the amendments.

I would like to clarify that this consultation was undertaken by the Department rather than the Minister.

Yours sincerely

Stein Helgeby
Deputy Secretary
Governance and Resource Management
