

Modified Monash Model and State breakdown of practitioners not enrolled in OMP programs¹

	NSW	VIC	QLD	SA	WA	TAS	NT	ACT
MMM1	353	290	127	71	80			30
MMM2	<6	15	32		<6	12	<6	
MMM3	20	<6	<6	<6	<6	<6		
MMM4	6	<6	<6					
MMM5	11	<6	8	<6				
MMM6	<6		<6	<6	<6		<6	
MMM7			7		<6	<6	<6	

¹ These numbers include Providers who:

- have had an MBS claim processed at least once during 2018 for a practice;
- have a DMS of non VR GP non referred attendances and no other DMS outside of the non-VR GP group in 2018; and
- who did not have a valid OMPs code attached to their record at any point during 2018.

Where a provider has had claims processed across multiple practices they will be counted only once for each combination of State and MMM class their practice is located in. Cells with less than 6 records have been suppressed for privacy reasons.
