Ref: EC21-000354

Senator the Hon David Fawcett  
Chair  
Senate Environment and Communications Legislation Committee  
Parliament House  
CANBERRA ACT 2600

Dear Senator Fawcett

### **CORRECTION - QUESTION ON NOTICE 163 (MARCH 2021) AND QUESTION ON NOTICE 26 (NOVEMBER 2020)**

I am writing to advise the Committee of an error in the Murray-Darling Basin Authority (the MDBA) response to:

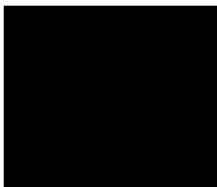

- Question on Notice 163 which was provided as part of the Additional Estimates process in March 2021; and
- Question on Notice 26 which was previously provided as part of the Budget Estimates process in November 2020.

The MDBA's internal legal costs for the period 1 January 2020 – 30 June 2020 were \$725,154 GST exclusive (previously reported as \$720,320).

This figure has been updated to take account of improved information and an error in calculation.

I apologise for any confusion this may have caused.

Yours sincerely

Phillip Glyde
