Dear Mr Fitt

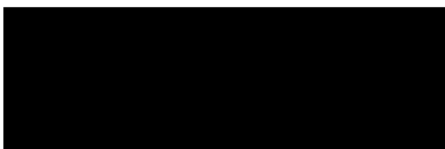

Further to my appearance on 2 June 2021 before the Senate Economics Legislation Committee for Budget Estimates 2021-22, I write to correct a statement I made [Hansard, page 43].

In response to the question from Senator Chisholm about the number of charities who had their charity registration revoked due to illegal activity in an activist context, I agreed that two charities had their registration revoked for this reason.

In fact, no charity has had their registration revoked due to ‘illegal activities undertaken in an activist context’.

I trust that the correction to my evidence will assist the Committee.

Yours sincerely,

Hon Dr Gary Johns
Commissioner
Australian Charities and Not-for-profits Commission
