CANBERRA ACT 2600

Dear Ms Redden

Correction:

I am writing to correct my response to a question asked during the Budget Estimates Hearing of the Senate Finance and Public Administration Legislation Committee, on Wednesday, 21 October 2020.

During the hearing, Senator Wong asked if ASC had been asked to contribute to a series of studies to inform the future development of the Australian Marine Complex at Henderson.

I would like to correct my answer given during the hearing where I had responded that ASC had not been asked. I have since been advised representatives from ASC West were invited to participate, and subsequently attended, a 'User Requirements Workshop' on 25 September 2020 with other users of the facilities at the Australian Marine Complex.

Yours sincerely
