Dear Senators

Thank you for your letter to the Secretary of the Attorney-General's Department and me on 2 February 2024, in advance of our appearances at Senate Estimates next week.

Reflecting the lead role that the Department of Home Affairs has played in the NZYQ matter, I am responding on behalf of us both. We appreciate you bringing these areas of interest to our attention but are not in a position to provide this information in advance of Senate Estimates.

We look forward to assisting the Committee with its enquiries next week.

Yours sincerely

Stephanie Foster PSM
