Dear Senator O’Sullivan

Re: Hansard correction – Estimates, Tuesday 27 February 2018

I would like to make a number of corrections to the Hansard record of my appearance at the Estimates hearings on Tuesday, 27 February.

1. I would like to correct the terminology I used in my response to Senator McCarthy’s question on page 8 of the Hansard:

“delivering work around soil and soil carbons”

I wish to advise the committee that the correct terminology is:

“delivering work around soil and soil carbon”

2. I would like to make a correction to my response to a question by Senator McCarthy. The relevant dialogue is on page 9 of the Hansard:

“Approximately 26.7 million.”

I wish to highlight to the committee that the correct number is:

“Approximately 27.6 million.”

3. I would like to correct the terminology recorded in my response to Senator Brockman’s question on page 11 of the Hansard:

“things like what we call snip chips”

I wish to advise the committee that the correct terminology is:

“things like what we call SNP chips”

4. I would like to make a correction to my response to a question by the Committee Chair, Senator O'Sullivan. The relevant dialogue is on page 13 of the Hansard:

"that is the sixth pillar of the Meat Industry Strategic Plan"

I wish to highlight to the committee that the correct terminology is:

"that is the fifth pillar of the Meat Industry Strategic Plan"

5. I would like to correct the terminology recorded in my response to a question by the Committee Chair, Senator O'Sullivan. The relevant dialogue is on pages 14 and 15 of the Hansard:

"Dexter"

I wish to highlight to the committee that the correct terminology is:

"DEXA"

Yours sincerely

Richard Norton
Managing Director
