

I would like to make two small changes to my Submission 44.

1. On page 5, in the last but one line of the section **Is there a need for training and accreditation?**

Of The 3000 or so franchise groups I believe operate in Australia ... replace 3000 with 2000.

2. On page 6, in the last two paragraphs of the section **Over regulation in the industry**

Insert the word 'among' after already, so it reads 'Franchising in Australia is already among the most regulated in the world.' And,

Insert the word 'possibly' after also, so it reads 'It is also possibly the most successful...'
