Dear Mr Palethorpe,

**Inquiry into the exploitation of general and specialist cleaners working in retail chains  
for contracting or subcontracting cleaning companies**

I am writing to correct an error in our submission [5].

Woolworths' supermarkets business currently has a national cleaning network of 13 head contractors, and approximately 375 sub-contractors at the end of June 2018.

The figures in our submission were accurate at the time of the Fair Work Ombudsman investigation.

Yours sincerely

Cameron Sinclair
