Subject: Australian Veterans' Recognition Bill [DLM=For-Official-Use-Only]

Dear ESORT Members,

For your further information and sharing with your respective veterans and families communities, the following is offered in relation to the recent Bills introduced by DVA to Federal Parliament.

Australian Veterans' Recognition Bill

In October 2018, the Australian Government launched an Australian Defence Veterans' Covenant to provide better recognition of the unique nature of military service and further acknowledge the service and sacrifice of veterans and their families.

The Prime Minister, the Hon. Scott Morrison MP and the Hon. Darren Chester, MP made a joint media statement on 27 October 2018 stating that the Government will develop an Australian Defence Veterans Covenant (Covenant), to be enacted in legislation, to recognise the unique nature of military service and support veterans and their families. The Covenant will provide an opportunity for Australians and the business community to recognise veterans and their families and the service and sacrifice they have made as members of the Australian Defence Force.

On 14 February 2019 the Australian Veterans' Recognition (Putting Veterans and their Families First) Bill 2019 was introduced in the House of Representatives.

On 20 February, [Minister Chester announced](#) that legislation for the Covenant – the Australian Veterans' Recognition (Putting Veterans and their Families First) Bill 2019 – has now been introduced into Federal Parliament. Supporting the Covenant is a new Australian Veteran Card and Lapel Pin to provide a way for the public, employers, businesses and community groups to recognise and connect with current and former ADF personnel.

The Bill will create a new Act, the Australian Veterans' Recognition (Putting Veterans and their Families First) Act 2019.

This Bill is part of the Veteran Recognition package designed to provide recognition to veterans and their families. As part of the recognition package, a lapel pin and the Australian Defence Veterans' Covenant will be distributed to veterans. The lapel pin will allow veterans to be easily identifiable by the Australian community where they choose to wear it.
