94	Wages freeze for parliamentarians, parliamentary office holders, senior office holders and the APS Senior Executive Service	25-Mar-20	The Minister for Finance wrote to the President of the Remuneration Tribunal requesting a stay on increases in remuneration, entitlements and allowances for Ministers, parliamentarians, parliamentary office holders and all senior office holders that are subject to the Tribunal's determinations, reviews and other decisions. The Minister also wrote to the APS Commissioner requesting a stay on increases to remuneration, entitlements and allowances for SES officers. On 26 March 2020, the Australian Public Service Commissioner advised Secretaries and agency heads that SES salaries and conditions of employment are not to be increased until the Government has resolved the challenges relating to the pandemic.	Australian Public Service Commission
95	Repatriation of Australians abroad – initial announcement	25-Mar-20	The Government agreed to consider, on a case-by-case basis, supporting our airlines to operate non-scheduled services to less central locations to bring Australians home. These will only be done where it is feasible, where all other commercial options have been exhausted and where local authorities will permit such flights.	Department of Infrastructure, Transport, Regional Development and Communications; Department of Foreign Affairs and Trade
96	Online nurse REFRESHER training	25-Mar-20	The Government announced funding for registered nurses to undertake online education to enable them to re-enter the clinical workforce and assist with the national response to the COVID-19 pandemic. Initially the Government committed to provide \$1 million for 1,000 places and increased the funding soon after to \$2.5 million for 3,000 places in response to demand.	Department of Health
97	Providing the Treasurer an instrument making power under the <i>Corporations Act 2001</i>	25-Mar-20	The Treasurer provided an instrument making power to provide temporary flexibility in the <i>Corporations Act 2001</i> to provide targeted relief for companies from provisions of the Act to deal with unforeseen events that arise as a result of the Coronavirus health crisis.	Treasury
98	Temporary relief from directors' personal liability for trading while insolvent	25-Mar-20	The Government temporarily increased the threshold at which creditors can issue a statutory demand on a company and the time companies have to respond to statutory demands they receive.	Treasury

99	Providing temporary debt relief for individuals	25-Mar-20	Temporary changes to the bankruptcy system implemented to help lessen the threat of people being forced into bankruptcy, including by increasing the temporary debt protection period available for people in financial difficulty from 21 days to six months, and increasing the debt threshold required for creditors to apply for a bankruptcy notice against a debtor from \$5,000 to \$20,000. This formed part of the Treasurer's broader package, providing temporary relief for financially distressed businesses.	Attorney-General's Department
100	Non-urgent elective surgery temporarily suspended	25-Mar-20	All non-urgent elective surgery temporarily suspended from 1 April. Only Category 1 and some exceptional Category 2 surgery will continue until 27 April.	Department of Health
101	Creation of a new National COVID-19 Coordination Commission (NCCC)	25-Mar-20	The Government announced establishment of a new National COVID-19 Coordination Commission (NCCC) to coordinate advice to the Government on actions to anticipate and mitigate the economic and social effects of the global coronavirus pandemic. The NCCC is based in the Department of Prime Minister and Cabinet.	Department of the Prime Minister and Cabinet
102	Transport and Infrastructure Council statement affirming the importance of the transport sector	25-Mar-20	The Transport and Infrastructure Council affirmed the critical role the freight sector plays in providing essential supplies of food, medicine and other goods. This recognition extended to all members of the freight distribution chain and the importance of facilitating the movement of workers to keep the economy functioning.	Department of Infrastructure, Transport, Regional Development and Communications
103	NBN Co boosts data for rural and regional customers	25-Mar-20	The Government announced NBN Co would provide 45GB additional data for Sky Muster customers in regional and remote areas.	Department of Foreign Affairs and Trade; Department of Infrastructure, Transport, Regional Development and Communications
104	Prime Minister's Direction to facilitate the movement of APS employees	26-Mar-20	The Prime Minister issued a direction under section 21(1) of the <i>Public Service Act 1999</i> requiring APS agency heads to identify critical functions within their organisations, including COVID-19 response functions, and identify the staff working in non-critical functions who may be temporarily redeployed. APS Workforce Management Taskforce established within the Australian Public Service Commission.	Australian Public Service Commission lead, with all relevant agencies
105	Government facilitated flights to bring Australians home from South America	26-Mar-20	The Government facilitated commercial charter flights to bring hundreds of Australians home from Peru and Uruguay. Chimú Adventures managed the operations out of Cusco and Lima in Peru and Montevideo in Uruguay.	Department of Foreign Affairs and Trade

106	Smartraveller global bulletin issued encouraging Australians to return home	26-Mar-20	DFAT reissued the global bulletin to again encourage Australians wanting to return to take any commercial options that are still available.	Department of Foreign Affairs and Trade
107	Expansion of coronavirus testing criteria	26-Mar-20	Expansion of the current coronavirus testing criteria to include testing people with fever or acute respiratory infection under certain categories.	Department of Health
108	COVID-19 text messages	26-Mar-20	The Government worked with telecommunications companies to facilitate the sending of text messages to Australians about COVID-19 on three occasions. Updates on 8 April 2020 and 5 May 2020.	Department of Infrastructure, Transport, Regional Development and Communications
109	Aboriginal and Torres Strait Islander Management Plan endorsed by the Australian Health Protection Principal Committee	27-Mar-20	The AHPPC endorsed the Management Plan focuses on culturally appropriate considerations for Aboriginal and Torres Strait Islander peoples in the implementation of the Australian Health Sector Emergency Response Plan.	Department of Health
110	Returning travellers restrictions	27-Mar-20	National Cabinet agreed to further restrictions on the movement of incoming travellers, introducing mandatory 14 day self-isolation in hotel/accommodation facilities (with limited exemptions) to be implemented no later than 23:59 AEDT 28 March 2020. Implemented by state and territory governments with enforcement through state and territory police, with support from the Australian Defence Force and Commonwealth law enforcement.	
111	Minister for Health Determination - Cruise Ship	27-Mar-20	The Minister for Health determined, under section 477(1) of the <i>Biosecurity Act 2015</i> , that the operator of a foreign cruise ship in Australian territory must cause the ship to leave Australian territory as soon as reasonably practicable. The Minister for Health also extended the prohibition on international cruise ship arrivals by two months (to 15 June 2020).	Department of Health; Department of Home Affairs; Australian Border Force; Department of Infrastructure, Transport, Regional Development and Communications; Department of Foreign Affairs and Trade
112	Establishment of the COVID-19 Counter Fraud Taskforce	27-Mar-20	Australian Federal Police's Operation Ashiba and the Commonwealth Fraud Prevention Centre in the Attorney-General's Department established the COVID-19 Counter Fraud Taskforce to support Commonwealth agencies to prevent fraud against the COVID-19 economic stimulus measures.	Australian Federal Police; Attorney General's Department

113	Australian Energy Regulator's Statement of Expectations of energy businesses: Protecting consumers and the energy market during COVID-19	27-Mar-20	The Government set reasonable expectations of energy companies to protect householders and small business customers during the COVID-19 pandemic, outlined by the Australian Energy Regulator.	Treasury; Department of Industry, Science, Energy and Resources
114	Establishment of Australian Federal Police-led Taskforce Quadrant	28-Mar-20	The Australian Federal Police (in partnership with the Australian Border Force, the Australian Criminal Intelligence Commission and the Australian Transaction Reports and Analysis Centre) established Taskforce Quadrant to focus on the prevention and disruption of non-commercial exports of certain goods designated as essential to Australia's COVID-19 response.	Australian Federal Police; Australian Border Force
115	Launch of new COVID-19 website by Department of Home Affairs	28-Mar-20	The Department of Home Affairs launched a new website <a href="http://www.covid19.homeaffairs.gov.au">www.covid19.homeaffairs.gov.au</a> . The website provides a dedicated source of information on COVID-19 related immigration and border arrangements, translated into 17 community languages.	Department of Home Affairs
116	Regional Airlines Network Support	28-Mar-20	The Government announced it will provide \$198 million (funded from COVID-19 Relief and Recovery Fund) for the Regional Air Network Assistance Package to ensure core routes for domestic freight will remain open. An additional \$100 million (funded from COVID-19 Relief and Recovery Fund) is available to provide direct financial support to smaller regional airlines during this unprecedented downturn in aviation activity should it be needed.	Department of Infrastructure, Transport, Regional Development and Communications
117	Australian Border Force Commissioner Correspondence to Foreign Flagged Vessels	29-Mar-20	The Australian Border Force Commissioner wrote to all foreign-flagged vessels that were in Australian waters, asking them to leave Australian territory as soon as reasonably practicable, in accordance with the Minister for Health's determination, unless the Commissioner provided permission for them to remain for a period of time. Most cruise ships lodged a formal request for exemption that were later denied by the Australian Border Force Commissioner on the grounds that the presence of the vessels remain a risk to the spread of COVID-19 in Australia. On 4 April 2020, the Australian Border Force Commissioner issued a further direction to all foreign cruise ships to leave Australian waters, as soon as reasonably practicable.	Australian Border Force

118	Disembarkation of passengers from the Artania	29-Mar-20	Australian Border Force, Western Australia Police and Western Australia Department of Health facilitated the disembarkation of 800 passengers from the MV Artania to Perth International Airport in convoys of buses. Australian Federal Police provided uniform presence to facilitate processing.	Australian Border Force; Australian Federal Police
119	Government announces \$1.1 billion to support more mental health, Medicare and domestic violence services	29-Mar-20	The Government announced a \$1.1 billion package including: - \$669 million to expand Medicare-subsidised telehealth services for all Australians. -An initial \$150 million to support Australian experiencing domestic, family and sexual violence due to the fallout of COVID-19. -An initial \$74 million to support the mental health and wellbeing of all Australians. -\$200 million to support charities and other community organisations which provide emergency and food relief.	Department of Health; Department of Social Services; Treasury
120	Launch of the Coronavirus (COVID-19) App and WhatsApp feature	29-Mar-20	The Government launched an App and WhatsApp feature to provide information directly to more Australians, providing up to date health advice and Government measures.	Department of Health; Digital Transformation Agency
121	Further restrictions to indoor and outdoor public gatherings	29-Mar-20	National Cabinet agreed to limit both indoor and outdoor gatherings to two persons only (with outlined exemptions).	Department of Health
122	Changes to foreign investment framework announced	29-Mar-20	The Government announced it would temporarily reduce the foreign investment screening threshold to \$0 and extend the deadline for case processing to six months.	Treasury
123	Commercial and residential tenancies	29-Mar-20	National Cabinet agreed to a moratorium on evictions over the next six months for commercial and residential tenancies in financial distress.	Treasury
124	Exempt rest stops and roadhouses from restrictions on non-essential services.	30-Mar-20	The National Cabinet agreed to exempt rest stops and road houses from restrictions on non-essential services. Rest stops and roadhouse provide services such as rest and shower facilities to heavy vehicle drivers to meet Heavy Vehicle National Law fatigue requirements.	Department of Infrastructure, Transport, Regional Development and Communications

125	\$130 billion third economic support package announced (JobKeeper)	30-Mar-20	<p>The Government announced it would provide \$130 billion for a new JobKeeper payment to keep Australians in a job. Eligible workers will receive a flat payment of \$1,500 per fortnight through their employer, before tax. Announcement of this, the third economic support package, brings the Government's total economic support package to \$320 billion (or 16.4 per cent of GDP).</p> <p>Also announced as part of the third package the decision to temporarily relax the partner income test for the Jobseeker payment (effective 27 April 2020).</p>	Australian Taxation Office; Treasury; Services Australia
126	Customs (Prohibited Exports) Amendment (COVID-19 Human Biosecurity Emergency) Regulations 2020	30-Mar-20	<p>The Customs (Prohibited Exports) Amendment (COVID-19 Human Biosecurity Emergency) Regulations 2020 (the Regulation) came into force. The Regulation amended the Customs (Prohibited Exports) Regulations 1958 to temporarily prohibit non-commercial exports of prescribed protective gear, hand sanitisers and alcohol wipes ('essential goods'). The Regulation enables the ABF to seize attempted exports of essential goods as prohibited exports under the <i>Customs Act 1901</i> from 30 March 2020.</p>	Department of Home Affairs, Australian Border Force
127	Banning exploitative price-gouging and profiteering of the same essential goods that contribute to preventing and controlling the spread of COVID-19	30-Mar-20	<p>The Minister for Health made a determination, under section 477(1) of the <i>Biosecurity Act 2015</i>, banning exploitative price-gouging and profiteering of the same essential goods that contribute to preventing and controlling the spread of COVID-19. The determination also required the surrender of such essential goods that had been attempted to be exported prior to 30 March 2020 came into force on 31 March 2020.</p>	Department of Health, Department of Home Affairs, Australian Border Force, Australian Federal Police
128	Temporary exemption for rail operators unable to update a health assessment	31-Mar-20	<p>The Transport and Infrastructure Council agreed an exemption for transport operators to section 114 of the Rail Safety National Law, allowing operators to postpone routine health assessments for rail safety workers for three months. This exemption allows flexibility as upcoming medical requirements may not be possible to meet considering the current pressure on the medical sector.</p>	Department of Infrastructure, Transport, Regional Development and Communications

129	Australian Government partnership with private health sector	31-Mar-20	The Government announced partnering with the private hospital sector to ensure over 30,000 hospital beds, and the sector's 105,000 skilled workforce, are available to integrate with the public hospital sector. The Government guaranteed the viability of all 657 private and not-for-profit hospitals, in return for maintenance and capacity during the COVID-19 response.	Department of Health
130	Assistance with food and meals for older Australians impacted by COVID-19	31-Mar-20	The Government announced an additional \$59.3 million for vital meal delivery services to support senior Australians. The package includes: -\$50m to fund 3.4 million meals for 41,000 people for 6 weeks – the equivalent of two meals a day. -\$9.3m to buy 36,000 emergency food supply boxes.	Department of Health
131	Australia Council for the Arts Resilience Fund	31-Mar-20	The Australian Council for the Arts announced approximately \$5 million to be directed to a Resilience Fund designed to provide emergency relief to support the livelihoods, practice and operations of Australian artists, groups and organisations during the COVID-19 pandemic.	Department of Infrastructure, Transport, Regional Development and Communications
