PWC Enquiry,

SUPPLEMENTARY SUBMISSION PWC- Lucas Heights
Temporary/ Permanent LLW/ILW storage Financials.

- The quote for the temporary storage was \$300 million.
- The quote for permanent storage refused by the Department was \$60million.

The above is advice given to me and has been publicly presented.

My apologies for this late presentation, but upon rereading my main submission I realised the Committee was not in possession of information of which I was advised.

With thanks,
Barry Wakelin, Kimba, S.A.
