Chair
Parliamentary Joint Committee on the
Australian Commission for Law Enforcement Integrity
PO Box 6022
Parliament House
CANBERRA ACT 2600

Dear Senator Scarr,

Inquiry into the expansion of ACLEI's jurisdiction and the corruption vulnerabilities associated with law enforcement agencies' contracted services

It has come to my attention that there was an error in the presentation of the data in Table 1 of ACLEI's submission (p.10). One of the rows in that table was inadvertently removed in the editing of the submission, with the result that while the total number of matters received reported in the table was correct, some of the underlying data was missing or in the incorrect row.

The correct section of the table is as follows:

Expansion agency matters received for assessment 1 January – 30 September 2021	APRA	ASIC	ATO	Total
Total matters received	1	9	13	23
Agency head notifications	1	3	8	12
Referrals from other sources (including members of the public)		5	5	10
Integrity Commissioner own-initiative		1		1

The error has been corrected in the attached revised version of the submission, along with a typographic error on page 11 which referred to 6 matters having been assessed in relation to ASIC rather than 7.
