Dear Regional Bank Closure Enquiry

The Junee Community Centre is a NFP organisation, the workers of which care for the needy in our community. We bank at the Commonwealth Bank in Junee. We have four Term Deposits with the Commonwealth Bank in Junee.

It is run by an entirely Voluntary Board which comprises seven people. Some of us are retired and some of us work.

Either way, it is going to be very time consuming, not to mention, awkward, for one of us to travel the forty five minutes it will take to travel to Wagga, park and then walk to the Wagga Branch of the Commonwealth Bank in order for us to roll over our Term Deposits. Noting that when One person arrives at the bank to do this, one other designated person has to be rung by the bank staff to then verify the terms and conditions of the rollover/s.

As well, we have many elderly clients who prefer to pay their Junee Community Centre Invoices by cash into our account at the Junee Branch.

We, as a NFP organisation will be severely impacted and disadvantaged, if and when the Commonwealth Bank in Junee closes.

Yours sincerely
PJ Halliburton
(Mrs) Pamela Halliburton
Secretary
Junee Community Centre
