

To the Senate Community Affairs Committee

Regarding the Stronger Futures in the Northern Territory Bill 2011

I wish to make a submission to the Committee to express my opposition to the proposed Stronger Futures legislation.

I agree with the concerns expressed by community groups and national organisations, that the legislation does not reflect the views expressed by communities during the Stronger Futures consultations, and that it will further embed the disempowerment and discrimination that was begun under the Northern Territory Intervention.

I ask that the legislation be withdrawn and that an alternative policy be developed, based on genuine consultation, community empowerment, the respect of Aboriginal culture, lands and languages, and the fundamental right of Aboriginal people to be able to control their own lives.

I ask you to take heed of the advice given to you by the people directly affected and show them respect and dignity they deserve.

Thank you.

Yours sincerely,

Sharon Wright
