Subject: I oppose the Migration Amendment Bill 2010

Dear Sirs,

Thank you for your hard work and your dedication to our great country.

Please vote against the proposed Migration Amendment Bill 2010 in it's current format.

I believe the powers it gives the Minister bipass the original intent of the law.

You, as Senators, once more have the heavy responsibility and yet simultaneously the opportunity to ensure that intent is upheld.

I have several friends who have already applied; honest, productive, tax payers.

It appears this amendment would not protect them from retroactive annulment of their applications.

Please give this amendment a bit more of your consideration to ensure fairness while helping Australia balance it's future in the best way possible.

Yours sincerely,

Christine Susan White
