Date: 8-31 FP Contract (non-southern)

- (vi) the parties will endeavour to re-negotiate and execute a new contract for the supply of milk to the Milk Co-operative within 3 months of the end of the Initial Term.
- (c) If for a month you do not supply the Minimum Volume for that month, or if at any time you supply milk to a third party in breach of the terms of this Contract, the Milk Co-operative may at any time immediately terminate the Contract by notice in writing to you. For the avoidance of doubt, the Milk Co-operative may not terminate this Contract in the event you do not supply the Minimum Volume for a month because of Force Majeure.
- (d) The Milk Co-operative may at any time immediately terminate the Contract by notice in writing to you if you do not immediately become a member of the Milk Co-operative or you cease to be a member of the Milk Co-operative for any reason.
- (e) You may terminate the Contract **PROVIDED THAT**:
 - (i) you give the Milk Co-operative not less than 3 months' written notice and the notice expires on the last day of a Financial Year; and
 - (ii) you obtain the prior written consent of the Milk Co-operative.

The Milk Co-operative may only withhold its consent if your termination is reasonably likely to result in the estimated milk supply to the Milk Co-operative (as determined by the Milk Co-operative in good faith) which has been contracted to be supplied to the Milk Co-operative for the Region for the 3 Quarters following the proposed date of termination to fall below the Regional AFD for those 3 Quarters. The Milk Co-operative will not give that consent if your termination is reasonably likely to have that result.

- (f) Where the Farm is sold, transferred, leased or otherwise disposed of by you ("**Disposal**") to another person ("**Disposee**"), you may terminate the Contract **PROVIDED THAT**:
 - (i) you provide the Milk Co-operative with a copy of the signed contract or other documentary evidence of the Disposal;

and:

 - (ii) you give the Milk Co-operative not less than 3 months' written notice;

and:

 - (iii) if the intended Disposee:
 - (A) is a member of the Milk Co-operative and contracted under a DFMC Contract:
 - the Disposee amends the definition of "Farm" under its DFMC Contract to include the Farm and amends the 'Monthly Defined Volumes' under its DFMC Contract to be not less than 85% (or such lesser percentage agreed to by the Milk Co-operative) and not more than 100% of the total of the 'Monthly Defined Volumes' under its DFMC Contract and this Contract; and
 - if the Disposee's DFMC Contract is a VP Contract, you pay to the Milk Co-operative the amount calculated in accordance with the formula in clause 7(i);

- (B) is a member of the Milk Co-operative who has not entered into a DFMC Contract:
- the Disposee enters into a DFMC Contract in respect of its current farm and the Farm and agrees to the 'Monthly Defined Volumes' being not less than 85% (or such lesser percentage agreed to by the Milk Co-operative) and not more than 100% of the total of its monthly milk production and the 'Monthly Defined Volumes' under this Contract; and
 - if the Disposee's DFMC Contract is a VP Contract, you pay to the Milk Co-operative the amount calculated in accordance with the formula in clause 7(i);
- (C) is an NFL Supplier and wishes to continue to supply National Foods Limited or one of its subsidiaries:
- the Disposee, with the consent of National Foods Limited, amends its minimum contracted milk volume commitment to be not less than 85% and not more than 100% of the total of its then current minimum contracted milk volume and the 'Annual Defined Volume' under this Contract; and
 - if the NFL Supplier's contract is a variable supply pattern contract, you pay to the Milk Co-operative the amount calculated in accordance with the formula in clause 7(i);
- (D) is neither a member of the Milk Co-operative nor an NFL Supplier:
- the Disposee enters into a DFMC Contract in respect of the Farm and agrees to the 'Monthly Defined Volumes' under the DFMC Contract being not less than 85% (or such lesser percentage agreed by the Milk Co-operative) and not more than 100% of the 'Monthly Defined Volumes' under this Contract; and
 - if the Disposee's DFMC Contract is a VP Contract, you pay to the Milk Co-operative the amount calculated in accordance with the formula in clause 7(i);

and:

- (iv) if the Farm or the Disponee's farm is leased, you provide to the Milk Co-operative evidence that the owner of the relevant farm or farms consents (in a form and substance satisfactory to the Milk Co-operative) to the termination of this Contract and to the arrangements referred to in clause 7(f)(iii).
- (g) You may terminate the Contract by giving to the Milk Co-operative not less than 3 months written notice expiring on the last day of a Financial Year, **PROVIDED THAT:**
- (i) you provide documentary evidence of your permanently leaving the dairy industry to the reasonable satisfaction of the Milk Co-operative;
 - (ii) if your permanently leaving the dairy industry involves a Disposal of the Farm, then the provisions of sub-clause 7(f) will apply;
 - (iii) for the avoidance of doubt, the minimum documentary evidence of your permanently leaving the dairy industry, which will be required by the Milk Co-operative, shall be:
 - (A) a copy of your letter to the relevant authority seeking to revoke your licence as a registered dairy person;

- (B) evidence of either:
 - (i) the Disposal of the Farm including documentary evidence of stamp duty paid on transactions (where applicable); or
 - (ii) the sale, transfer or other disposal of your dairy herd for its current market value; and
 - (C) a statutory declaration by you, confirming the fact that you are permanently leaving the dairy industry.
- (h) The Milk Co-operative may, in its absolute discretion, agree to shorten or waive any notice period (including the Notice Period) provided for in this clause 7 if you are unable to supply any milk or only a substantially lower volume than the Minimum Volume due to the death or sickness of you or an immediate family member.
- (i) If this Contract is terminated for any reason whatsoever (including by mutual agreement or the shortening or waiver of any notice period) so that the Contract does not terminate at the end of a Financial Year, other than pursuant to clause 7(f), you must pay to the Milk Co-operative (in addition to any other amounts payable) the following amount:

$$\$A = \$B - \$C$$

where:

- \$A** is the amount payable by you to the Milk Co-operative. If \$A is a negative amount, no amount is payable by you.
- \$B** the amount paid or payable to you by the Milk Co-operative in accordance with this Contract for milk supplied by you in respect of the period commencing on the first day of the relevant Financial Year and ending on the date of termination of this Contract and in respect of which the Milk Co-operative is obligated to pay you the Announced Tier 1 Base Milk Price.
- \$C** the amount the Milk Co-operative would have paid you for the milk referred to in \$B had you entered into a VP Contract (with the same Monthly Defined Volumes as the Contract) instead of the Contract and supplied that milk to the Milk Co-operative.

8. Assignment

- (a) Subject to clause 8(b), you may assign the Contract with the Milk Co-operative's prior written consent (such consent not to be unreasonably withheld). *For example, if you wished to sell or lease your Farm you may wish to assign the contract to the purchaser or lessee, subject to you obtaining the prior written consent of the Milk Co-operative.*
- (b) If you are not the owner of the Farm, the Milk Co-operative may before giving its consent to an assignment of the Contract, require you to provide to the Milk Co-operative evidence that the owner of the Farm consents (in a form and substances satisfactory to the Milk Co-operative) to the assignment of the Contract.
- (c) The Milk Co-operative may at any time assign the Contract to the Processing Company without your consent.

- (b) the general terms of the Contract (including the price paid for milk under the Contract and the Initial Term).

The Milk Co-operative must advise you in writing of its intention to disclose details of the Contract before actual disclosure.

10. **Liquidated Damages**

- (a) If you supply all or some of your milk to a third party during a month you must, if required by the Milk Co-operative, immediately pay to the Milk Co-operative liquidated damages for that month calculated as follows:

$$\text{\$X} = \text{W cents} \times (\text{Y} - \text{Z})$$

Where:

Y is the Minimum Volume for the relevant month.

Z is the number of litres supplied to the Milk Co-operative by you for the relevant month.

W means:

- (a) for the period up to 30 June 2012, the "announced tier 1 base milk price" payable for the relevant month pursuant to a VP Contract less the Announced Tier 1 Base Milk Price payable for the relevant month pursuant to this Contract provided that if W is a negative number, W shall be zero; or
 - (b) for the period after 1 July 2012, 10% of the Guaranteed Minimum Base Milk Price for the Financial Year ending 30 June 2012.
- (b) You acknowledge that the above formula represents a genuine pre-estimate of the loss the Milk Co-operative will suffer if you fail to supply to the Milk Co-operative the Minimum Volume of milk for a month.

11. **Membership**

If you are not already a member of the Milk Co-operative, you must immediately become a member and subscribe for 2,000 shares at \$1 per share (or such other number or value as the Milk Co-operative may determine).

15. **Acknowledgment**

You acknowledge that you have been given the opportunity to obtain independent legal and financial advice on the Contract.

16. **Supersedes all previous agreements**

Except for the Milk Co-operative's Rules and Policies (as amended from time to time) and any Milk Co-operative compulsory share acquisition or loan program that may be in force from time to time, the Contract shall supersede and replace all previous agreements, arrangements and understandings between the Milk Co-operative and you in relation to the supply of milk to the Milk Co-operative.

17. **Severability**

The Contract shall not be adversely affected by the unenforceability or invalidity of any part. The offending part shall be read down or shall be severed and the remaining parts shall continue to have full force and effect.

18. **Joint and Several**

Any covenant or agreement on the part of and for the benefit of two or more persons shall bind them and be for the benefit of them jointly and severally respectively.

19. **Force Majeure**

A party will not be entitled to terminate the Contract due to a default of the other party which is caused by Force Majeure. A party who is in breach of the Contract will not be liable to the other party if the breach of Contract is caused by Force Majeure.

20. **Effective Date**

This document takes effect on and from the Effective Date. For the avoidance of doubt, the milk payment provisions of the Contract (including pricing) will apply in respect of milk supplied on and after the Effective Date but before the Contract was signed by the parties and any necessary adjustment to reflect any under or over payment will be made in the October 2010 milk payment (payable on or about 15 October 2010) or otherwise agreed.

21. **Authority**

Where the Supplier consists of more than one person, this document may be signed by any one or more of the persons comprising the Supplier. If this document is not signed by all of the persons comprising the Supplier, any person who has signed this document warrants to the Milk Co-operative that it is duly authorised to sign and bind all the persons comprising the Supplier.

22. **GST**

If any payment made to a party pursuant to or relating to this Contract constitutes consideration for a taxable supply for the purposes of GST, the amount to be paid for the supply will be increased so that the net amount retained by a party after payment of that GST is the same if the party was not liable to pay GST in relation of that supply.

If you wish to accept this offer for milk supply, you must sign and return the enclosed copy of this document to the Milk Co-operative on or before 30 September 2010 (or such other date as the Milk Co-operative may determine).
