

Question 5

The AEMO report on 100% renewable energy was modelled for the years 2030 and 2050. The report is here. <https://www.environment.gov.au/climate-change/publications/aemo-modellingoutcomes>

Questions 8, 9 and 10

Regarding the other questions – the CEC’s position is made clear in our PowerShift report, here. <http://www.cleanenergycouncil.org.au/policy-advocacy/reports/power-shift.html>
