Senator XENOPHON: Sure, but just in terms of the principle—whether they have tried to take work away from mail houses—have you lost any clients over the last 10 or 20 years to Australia Post?

Mr Read: Yes, we have.

Senator XENOPHON: In recent years?

Mr Read: Yes.

Senator XENOPHON: In the last three years?

Mr Read: I would have to refer to my records on that one.

Senator XENOPHON: If you could just let us know—take that on notice.
