

To: **The Committee Secretary - Senate Legal and Constitutional Affairs Committee**

Greetings.

I am writing to you about the **Criminal Code Amendment (Misrepresentation of Age to a Minor) Bill 2013**.

I am Keith Shew and I have been mentioned in Federal Parliament in regard to this Bill by **Senator Mark Furner**.

Here is the Link required for evidence:

<http://parlinfo.aph.gov.au/parlInfo/search/display/display.w3p;adv=yes;db=CHAMBER;id=chamber%2Fhansards%2F81320ab7-05a7-4deb-b6c9-aeba0e6b51bf%2F0211;orderBy=customrank;page=0;query=Content%3A%22criminal%20code%22%20Dataset%3Ahansards,hansards80;rec=2;resCount=Default>

Now I have been in contact with **Senator Nick Xenophon** in regard to this much needed Bill and I want to tell you openly that this Bill really needs to be passed. I have many Members of the Clan that I run that have been attempted to be "**Groomed**" by these predators/pedophiles on the Steam Network and they do this by Misrepresentation of Age to the children on Steam. A great percentage of our children have Steam Accounts due to it being an Online Gaming Platform.

I have Evidence on my Website in the Private Members Area where the Members have clearly stated what have happened to them by these predators. I certainly hope that this Bill can be passed as it really needs to be, because without this Bill being passed as it should be the children will be vulnerable and threatened. **It is the Federal Governments Duty to provide Protection for our Citizens and Children!**

If you need further evidence from me in regard to this, then please contact me. Due to Security Precautions you will not be able to see the Private Members Area / Sanctum on our Website, so you will need to do what Senator Mark Furner did and come to visit me so that I can show you these Posts where the children openly tell what has happened to them because of the predators using Misrepresentation of Age to "**Groom**" them.

I shall also inform our Members that I have sent this email to you so that this information may assist with the needed Passing of this Bill.

Kind Regards

Keith Shew
