Thursday 10th March, 2011.

I, Michael Tome,
, would like to register my opposition to the Private Members' Bill,
sponsored by Senator Bob Brown called the *Australian Capital Territory (Self-Government) Amendment (Disallowance and Amendment Power of the Commonwealth) Bill 2010*.

Such a bill could be used to bring in Euthanasia and Homosexual Civil Unions that will mimic marriage, both of which I reject.

Marriage is only between a man and a woman. Euthanasia is the deliberate killing of human life and there are serious concerns that it will lead to involuntary euthanasia for the most vulnerable members of our society, who need protection under the law.

Homosexual unions mimicking marriage and euthanasia are certainly not in the best interests of our Nation or the families, old people and the children of our nation.
