

Dear Tegan,

Thank you for forwarding the two questions notice below from Senator Pocock.

I can confirm, that after making internal enquiries and to the best of my knowledge, no members of the ARC Centre of Excellence for the Weather of the 21st Century hold a sponsored pass to Parliament House.

Nor am I aware of any offers of sponsorship for a Parliament House pass being made to members of our organisation by any member of parliament.

If you require any further details on this matter, please do not hesitate to contact any of my colleagues cc'd in this email.

Regards

Stephen Gray
