

Please accept my submission in support of the Family Law Legislation Amendment (Family Violence and Other Measures) Bill 2011

Dear Committee Secretary

I wish to support this bill and the changes changes. I feel it is the interest of children and families to make these changes as quickly as possible and believe the changes to the bill must also be used in cases currently in the courts since 2006.

I do not wish for my name and address to be supplied made public for privacy reason. Many thanks
