

Written questions on notice from Senator David Pocock

1. Does anyone within your organisation currently hold a sponsored pass to Parliament House?
2. If so, who, and which Member of Parliament sponsors that pass?

Response from Legacy Australia Incorporated

Please advise the Senator that Legacy Australia Inc. does not hold any sponsored passes. To the best of our knowledge, we are not aware of any such passes being held by members of Legacy Clubs across Australia.

I can confirm that I do not hold one personally.

Yours sincerely

Dr Mark Lax

Vice Chairman
