

To those in charge.....

Hello.....my name is Patsy Worledge.....

I love our country....passionately....

I have always been interested in the Aboriginal situation.....I LOVE the Art they produce.....I feel their pain....

I am an artist and I find that whilst painting with attention to my SOUL, my paintings are connected to the patterns and colours of Country....The exhibition at The Ian Potter Gallery in Melbourne is exquisite,beautiful and heart pleasing...

I have done many Retreats with an Aboriginal Elder....and I have learned profound wisdom of traditional stories that have brought me to my knees.....

I want to support the Aboriginal people in the Northern Territory.....

What can I do to change things?

Please withdraw this current legislation.....I respect the Aboriginal Culture, lands and Languages and the fundamental right of Aboriginal people to be able to control their own lives....

Thankyou.....

Patsy Worledge....
