

PARLIAMENTARY INQUIRY QUESTION ON NOTICE

Department of Health

Senate Select Committee on COVID-19

Inquiry into Australian Government's response to the COVID-19 pandemic

Written Question on Notice, 16 September 2021

PDR Number: IQ21-000229

Question Subject: Modelling of re-opening society after reaching target of full vaccinations

Type of Question: Written

Senator: Katy Gallagher

Question:

8. Has the Department provided any state with modelling and/or advice about the impact of re-opening society after 70% and 80% vaccinated on their hospital systems/capacity? If so, please provide this advice.

Answer:

Any advice or modelling for states and territories would be provided through the National Cabinet. Information related to National Cabinet should be referred to the Department of the Prime Minister and the Cabinet.
