LEGISLATION COMMITTEE

Food Standards Amendment (Truth in Labelling - Palm Oil) Bill 2010

SUBMISSION

SUBMISSION NUMBER: 457

SUBMITTER

Zahli Spurling

Please be advised that I support the labeling of consumer products to disclose the true content, in particular not to have palm oil disguised as "vegetable oil". Moreover, I fully support the option of labeling "orangutan friendly" products.

It is vital that the Australian Government back this initiative to protect biodiversity and the health of consumers.
