

**Bradley Woods Answers to Questions taken on Notice at the Senate
Environment Communications Reference Committee Hearing on
28th July, 2017, Perth Western Australia**

Page 12 – Question from the Chair regarding use of mobile apps

“Feedback that I have received from beach users is that they normally attend patrolled beaches and favour those that have shark monitoring. There was very little awareness of shark apps, with more awareness through the Surf Life Saving WA “twitter feed”. @SLSWA

Page 14 Question from Senator Lines – When did I speak with Minister Kelly regarding sharks?

“I spoke with Minister David Kelly, the Minister for Water, Fisheries, Forestry, Innovation and ICT, Science on the 26th June 2017”
