(1A) If:

- (a) a trustee (other than the trustee of a regulated superannuation fund with no more than 6 members or self managed superannuation fund) or investment manager of a superannuation entity invests in that capacity; and
- (b) at any time during the term of the investment the trustee or investment manager is required to deal in respect of the investment with another party that is not at arm's length with the trustee or investment manager;

the trustee or investment manager must deal with the other party in the same manner as if the other party were at arm's length with the trustee or investment manager.
