**Subject:** RE: Senate Select Committee on Job Security - Invitation to give evidence at a public hearing - Wednesday, 28 July 2021 (Heritage Care)

Hi Emma,

Further to the hearing there was one piece of information which I took on notice and can now provide:

Our contractors have received 65% first dose and 50% second dose as advised at the date of the hearing.

Kind Regards,

**Greg Reeve**
