Clerk of the Senate  
PO Box 6100  
Parliament House  
CANBERRA ACT 2600

Re: Proposal to replace the parliamentary prayer with an invitation to prayer or reflection

Dear Mr Pye

I refer to the opportunity to comment on this proposal.

I support the recommendation on the grounds that the current practice may well be a breach of the Constitution's requirement that there be a separation of powers and reflects the beliefs of only one of the three major mono-theistic religions.

I request the Senate votes in favour of the proposal.

Yours sincerely

Ian Yager
