Dear Sir/Madam,

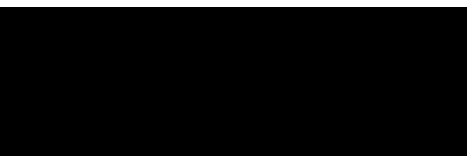

I am writing to you with regard to our submission to the Senate Inquiry into Non-conforming Building Products and subsequent reference of this submission to the Building Ministers Forum lodged with you on 16<sup>th</sup> November 2016.

At the Board meeting of Expanded Polystyrene Australia on March 30, 2017, the following was resolved:

*With regard to our the submission put to the Senate Inquiry into Non-conforming Building Products (and subsequently passed to the Building Ministers Forum) the Board has resolved to review the wording of the document with regards to waffle pods and so would ask that any consideration by the Senate or Building Ministers Forum of the matters raised in reference to waffle pods be placed on hold until a review can take place.*

Needless to say, should you have any questions or seek further clarification, please do not hesitate to contact me.

Kind regards,
