

Senate Environment and Communications References Committee

ANSWERS TO QUESTIONS ON NOTICE

Climate Risk Assessment 16 September 2025

Agency: Australian Prudential Regulation Authority
Question No: N/A
Topic: Climate Council Commentary
Reference: Spoken p. 24 (16 September 2025)
Senator: Dean Smith

Question:

Senator DEAN SMITH: Thank you. Did APRA provide any commentary—improvement, enhancement, redaction or caution about the importation of the Climate Council's commentary around the hundreds of billions of dollars of loss of value to housing which is in the report?

Ms Bliss: Thank you for the question. To my knowledge, we did not make any specific comments, but I would like to take that on notice to confirm.

Answer: No, APRA did not provide any commentary on the use of the Climate Council's commentary on housing value in the National Climate Risk Assessment report.
