The Global Goals are the big picture for every Teaspoon of Change

The 17 Goals aim for three big achievements by 2030:

End Extreme Poverty

Reduce Inequality

Protect Our Planet

Aligning South Australia with the Global Goals!

In September 2018, d'Arcy (walking) and Serafina (cycling), will go from Adelaide to Mt Gambier (& back!) to align South Australia with the Global Goals for Sustainable Development.

d'Arcy and Serafina will engage with schools, businesses and community groups along the way to share the small but significant actions we can all take (Teaspoons of Change) that have global impacts!

Responsible Consumption & Production

THE GLOBAL GOALS
For Sustainable Development

- Before any production and consumption rethink refuse, [reduce](#) and reuse
- Support models like a regenerative circular economy, social enterprises, purpose-driven
- Ethical consumption is possible for almost everything: [Fairtrade](#), [Rainforest Alliance](#), etc.
- Buy local, in season, small business, upcycled
- Use apps & [info](#) to know your producers: [Ethical Consumer](#), [Good On You](#) + more
- Take on campaigns and challenges like: [Buy Nothing New Month](#), [Meatless Monday](#), etc.
- Teachers and schools check out brilliant ideas & lessons at [World's Largest Lesson](#) on GG #12
- As a 6-year-old told me: buy cheap, buy twice!
