

**Correction to Hansard transcript – Lorraine Wilson
Public hearing, Melbourne, Monday 4 March 2013**

Ms Wilson wrote to the Secretariat on 20 March 2013, noting a correction on page 64 of the Hansard transcript;

...Now, God help us here in Victoria. We have just gone to four regions from 11. All our northern schools were northern region, and now the region goes way up to Bendigo. I am not sure if you know how far that is: two hours.

...The regional director is situated there.

Correction:

The new region extends from the northern suburbs of Melbourne to Mildura, with the regional office situated in Bendigo.
