

Responses to Written Questions on Notice – National Australia Bank

1. *Does anyone in your organisation currently hold a sponsored pass to Parliament House?*
2. *If so, who, and which Member of Parliament sponsors that pass?*

NAB response: Five NAB employees currently hold a sponsored pass to access Parliament House. These are held by members of NAB's Corporate Affairs team. Consistent with advice previously provided by the Department of Parliamentary Services (DPS) to other similar questions, disclosing individual pass holder information raises issues of privacy, parliamentary privilege and other security considerations.
