

Hello sir i request to u please don't pass this immigration capping bill 2010. it is totelly unfair with us,i spend 4 imporant year of my life in australia . I study here. then i apply my PR before 2 year, but immigration not give us decision, it is not our fount, now i m 30 year old tell me what can i do if immigration send me back . why u do that, i live here,pay the tax . i don't want to go back to my conutry. please sir do not pass this bill and give us life,i live here,i study here , speak good english, paying tax,doing hard work,i have both my country and australian police clearance.But govt. give the PR to boot people,who came to australia illegal,they don't how to speak english,they don't pay tax.,they don;t have any police clarence, But they got PR withen 3 month easy. but i study here paying \$25000 fees,but i get nothing. Then Its easy, get a rent boat and then go to Christmas Island and get PR withen 3 month. Not need to fullfill any immigration condition.Please think about it.When u decide any thing please first put ur self on our place. then u decide any thing, waiting ur postive reply, thankyou very much
